Good evening to everybody from Ashill. As you know you are now covered by the Beat Team at Ilminster consisting of PC 3589 Lisa HALLETT, PCSO 8391 John MARTIN and PCSO 6092 Toby HATCHARD, and overseen by Sgt Rob JAMESON.

I have looked back at reported crimes for Ashill for the last year 8/5/18 to 8/5/19. You live in a very low crime area and long may that continue.

We have two counts of theft, two counts of assaults, one criminal damage linked to an ASB log and one Non dwelling burglary. Remember this is only reported crimes.

The Beat Team are out and about as much as possible and do try to get to your area at least once per set of shifts for area tours.

We would always encourage people to keep reporting suspicious people or vehicles and to stay alert and not become complacent. Keep vehicles and houses locked and do not leave items of value on view either in vehicles, garages or gardens. If people

are going away please keep an eye out on their property and please be careful when using social media about alerting people to your absence.

I hope the good weather comes soon and we can enjoy more time outside in the lovely surrounding countryside. Stay safe.

Your Beat Team can be reached via our Force website and messages passed to us.

Thank you.
